THE MASTERCLASS IS:
- A 3-day residential educational event
- Full immersion
- Clinically-oriented
- Multidisciplinary
- An international faculty of experts delivering lectures focusing on lung, head and neck, colorectal, liver/hepatobiliary, breast, cervical, ovarian, bladder, renal cancer, prostate, and lymphomas.

TEACHING FORMAT
Masteclass offers plenary lectures regarding the state-of-the-art, clinical evaluation and treatments with reference to clinical guidelines and which conclude in taking-home messages. Furthermore, practical training will be offered in the frame of clinical case presentations prepared and presented by the faculty for an interactive discussion with participants. Participants will reside at the masterclass venue and participation is compulsory throughout the course. The Masterclass will be entirely in English and fluency in English is necessary for admission.

IDEAL MASTERCLASS CANDIDATE
- Age between 30 and 40 years
- 2-3 years' experience in clinical oncology
- Involvement in scientific activities
- Fluency in English

HOW TO APPLY
Interested oncologists should fill in the application form (www.easoncology.net or on request to easo@eso.net) and send:
- Letter describing motivation for attending
- CV with list of publications
- Supporting letter from Head of Department or Mentor

ATTENDANCE TO THE MASTERCLASS IS BY APPLICATION ONLY
SUCCESSFUL APPLICANTS ARE GRANTED FREE REGISTRATION AND ACCOMMODATION

APPLICATION DEADLINE: 15 JULY 2011
