Welcome Message

Dear Colleagues,

It is our pleasure to invite you to participate and celebrate with us The 45th anniversary of the National Cancer Institute, Cairo University.

On behalf of the National Cancer Institute we invite you to the scientific meeting that will be held during the period from 3 - 5 April 2013 at the Grand Nile Tower Hotel, Cairo. Challenges and updates of breast and GIT cancer are the main topics of the meeting.

The overall goal of this meeting is to promote and exchange knowledge of the latest scientific and medical developments of the field.

We are pleased to present a comprehensive, educational and scientific program, including state of the art lectures and workshops. The NCI has been fighting cancer in Egypt for the last 45 years, a mission proudly and sincerely maintained by all the staff serving at the NCI, Cairo.

We are looking forward to welcoming you in Cairo and we wish you a fruitful, memorable conference and an inspiring visit to Egypt.

Sincerely,

Prof. Alaa El Haddad
Dean NCI, Cairo University
